**Dr. Maximo C. Aljibe**

Director IV

CHEDRO VIII

Athletic Road, Brgy. 43-B, Quarry District

Tacloban City

Dear **Dr. Aljibe**,

Greetings from VSU!

This pertains to our two degree programs, MS Land Administration and Management (MSLAM) and Master in Land Administration and Management (MLAM) which earned their COPCs on April 2, 2025. In July 2025, we were informed that the checklists of these two programs were not aligned with the curriculum we had previously submitted as part of the COPC application; thus, the checklists did not warrant a notation from your good office.

We would like to request for reconsideration of the revised program curriculum. Revisions were based primarily on the recommendations of CHED's Technical Committee on Environmental Planning (TCEP). Thus, the curriculum provided as part of the COPC application differs from the updated version.

We received the first set of recommendations in May 2023 and sent our compliance letter in November 2023 to CHED Central Office with your endorsement (Attachment 1). The subsequent changes to the LAM curriculum were discussed and deliberated upon during the curriculum review of all degree programs at VSU in August 2023.

On November 25, 2024, we received the second set of recommendations from TCEP (Attachment 2) and sent our compliance letter on December 4, 2024. Finally, on April 2, 2025, we were pleased to receive a communication from your good office that the COPC application of the two programs have been approved.

The matrix below presents a summary of the November 2023 version contained in Attachment 1, addressing TCEP's first set of recommendations, and the updated version addressing TCEP's second set of recommendations in November 2024.

The Revised Checklists which we request for CHED Notation are based on the updated version.
