Dear **Dr. Mangaoang**,

Greetings!

The COLLABDev Project, a USAID-AER (Action for Economic Reforms) project, through the Chief of Party, Ms. Jenina Joy Chavez, requests for the use of the RCCRDC Lecture Hall on September 20-22, 2022 for the COLLABDev Pause and Reflect Session that will follow the National Assembly in Tacloban City. About 30 participants will attend the Pause and Reflect Session.

The personnel of one project partner, the Environmental Legal Assistance Center (ELAC), has made the reservation for the use of the RCCRDC Lecture Hall facility. We understand that the initial consent is subject to your final approval.

We hope for your kind approval of this request.

Thank you very much for your support to our projects and activities.

Very truly yours,

LILIAN B. NUÑEZ
Project Leader, VSU-COLLABDev
