

February 14, 2022

Marwen A. Castaneda
University Registrar

Dear Ms. Castaneda:

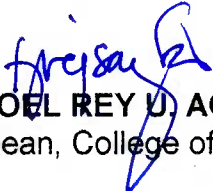

Greetings of sustained health and safety in these changing times!

We would like to request from your good office to open new section NuCM 115 (Nursing Research 2) for our eighteen irregular student. The proposed schedule is every Saturday 8-2 pm.

Hoping for an affirmative response on this concern.

Thank you and more power!

In caring!

JOEL REY U. ACOB
Dean, College of Nursing
