Dear **President Yepes**,

I hope this letter finds you well. I am writing to highly recommend Ms. Rhea Angelie F. Dayondon, Administrative Aide III of ISRDS, to attend the upcoming **BIDANI National SUC Assembly: Empowering Partnerships towards Community Nutrition and Resiliency**, scheduled on July 25-26, 2024, at Central Luzon State University, Science City of Muñoz, Nueva Ecija.

As Miss Dayondon's direct supervisor, I have witnessed firsthand her dedication, professionalism, and commitment to her official functions. She has also been an integral part of the BIDANI project team, serving as its alternate IEC support staff, which is beyond her official duties. Given that there are only two remaining technical project staff, with one retiring effective January 1, 2025, her role has become even more critical. She has consistently demonstrated capability and willingness to perform project tasks. Moreover, she has proven to be a team player, always willing to assist colleagues and share her expertise. Her proactive approach and ability to foster a collaborative work environment make her a true asset to our team.

Attending the BIDANI National SUC Assembly will not only provide her invaluable insights and knowledge, but also allow her to network with other professionals and bring back innovative ideas to our organization. I am confident that her participation in this event will further enhance her skills and benefit our organization as a whole.

Ms. Dayondon's travel expenses shall be charged to the BIDANI extension project funds.

I hope for your kind approval of this request. Thank you for being ever supportive of our programs and activities.

Very truly yours,

  
**LILIAN B. NUNEZ**  
BIDANI Program Leader
