Dear Dr. Tulin:

Good day to you!

I am Rea Marie Omapas student of Visayas State University. My last attendance from this school was second semester of school year 2020-2021. I stop this semester because of lack of gadgets. I cannot provide gadgets since my family is below average. Furthermore, as online courses require a lot of time and intensive work I rarely have time to take the courses due to my various everyday commitments. I was not able to apply for leave of absences due to my ignorance to tgis matter. Thus, I would like to re-admission effective this second semester school year 2021-2022. I cannot promise anything but I will really do my best to stay in focus on my studies to pass all the requirements and other activities. Also I will focus on my self- motivation to overcome this challenges and have a positive learning.

Respectfully yours,
