**Dear Mr. Villagonzalo:**

Greetings!

We are pleased to inform you about the upcoming 52nd National Convention of the Philippine Agriculture and Economic Development Association (PAEDA) on December 3-5, 2024 at Visayas State University, Baybay City, Leyte. The Convention aims to provide the venue where experts in agriculture and economic development can share and exchange views on pressing issues that impact the AANR sector, and to showcase significant R&D outputs that will promote inclusive, innovative, and sustainable agriculture, aquatic, and natural resources (AANR).

This year's convention will feature eight (8) sub-themes which revolve around the main theme ***"Towards an Inclusive, Innovative, and Sustainable Agriculture, Aquatic, and Natural Resources (AANR)"***, namely, (1) Climate-smart solutions for sustainable and resilient AANR; (2) Gender and social inclusion in AANR; (3) Technology adoption and knowledge transfer mechanisms in AANR; (4) Supply/value chains in AANR; (5) Innovation, entrepreneurship, and circularity in AANR; (6) Policy analysis and impact assessment in AANR; (7) Industry 4.0 applications in AANR; and (8) Graduate and undergraduate theses and dissertations.

In connection, the conference will execute a hybrid setup, especially for participants who cannot come onsite. They will participate via Zoom. Hence, we request your assistance in assuring stable internet connectivity in the RDE Hall, 2 Breakout Rooms, and the white room during the entire event from December 3 to 5, 2024. We entrust all the necessary preparations to your good office for the request stipulated above

Thank you for your assistance!

See you at the PAEDACON 2024!

Very truly yours,

**LEMUEL S. PRECIADOS**  
Session Chair, PAEDA
