DR. JULIUS V. ABELA

Head

Office of the University Disaster and Risk Reduction Management

Visayas State University

Dear Dr. Abela,

Good day, Sir! I hope all is well with your family and the VSU Security Team.

The undersigned respectfully requests that the following Science Research Assistants be allowed entry to the College of Veterinary Medicine during weekends to continue with their respective commitments in our boar semen laboratory working on our PCAARRD-funded projects. The said work commitments are expected to sustain until the end of February/mid-March 2022.

- Dr. Bianca Therese Ymas
- Dr. Heherzon Luza
- Dr. Mark Mark Edd Janier

For any other concerns relative to their entry/work, please feel free to contact me as the Project Leader.

I look forward to your kind consideration. Thank you very much.

Kindest regards,

SANTIAGO T. PEÑA, JR
Dean
