Dear Dr. Tulin:

Warmest greetings from OHIA!

I need to inform you that the Business Related and Internally Generated financial reports that passes through our office have been transferred in December 2022 to the Accounting office so they can do the pre-audit.

This move is in accordance with the implementation of Non-Audit tasks of the Office of the Head for Internal Audit that I submitted to you in September 2021.

Thank you and more power.

Yours sincerely,

MARIA TERESA A. CRUZ
Head
