

QUARTERLY RESEARCH PROGRESS REPORT

QUARTER: 4th

Research Title: More than just food: Exploration of the perceptions ascribed to food by the different social groups in Eastern Visayas

I. Program/Project/Study Objectives *(Please specify if it is a program/ project/study):*

The output and findings of this project are foreseen to assist in the improvement of the understanding of the contextual meaning of healthy food in the different social groups in Eastern Visayas (Region 8) and nearby provinces, thus, can inform policies and interventions geared toward the addressing food and nutrition issues in a more participatory and inclusive manner.

Specifically, this study aims to:

1. provide an overview of the diverse meanings ascribed by the different social groups in Eastern Visayas region and nearby provinces to healthy and unhealthy food. Additionally, this study would examine the various factors that could facilitate and/or inhibit people from consuming healthy food as well as their future visions of healthy food systems; and
2. recommend a more inclusive food policy directions and strategies;

II. Relevance to VSU & College's Thrust and Priorities:

Food is within the research agenda domain of VSU.

III. Highlights of accomplishments within the quarter

A. Targets for the quarter

Data collection conducted

B. Highlights of accomplishments

Data collection is completed and ongoing write-up

IV. Physical Report of Operation

A. Research Program

	Particulars/Name and Brief Description of Utilized/ Commercialized Technologies	Number
Outcome Indicator		
1. Number of research outputs utilized by the industry or by other beneficiaries		
Output Indicator		
1. Number of research outputs completed within the year		
2. Percentage of research outputs published in internationally-referred or CHED recognized journal within the year		

B. Technologies/Information patented and commercialized

Technology Invention(s) New Information	Invention Patent Number	Date of Issue	Utilization of Invention		Name of Commercial Product
			Development	Service	

Vision: A globally competitive university for science, technology, and environmental conservation.

Mission: Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

A. Technology Invention(s)					
B. New Information					

C. Research papers published (Identify if articles were for Research, Extension, Innovation or MSc/ PhD Studies)

	Title	Author (s)	Date/Year/Publication/ Publisher	Remarks (if Research, Extension, Innovation, Thesis, MSc/PhD)
a. Refereed Journal				
Institutional				
National				
International				
b. Semi-popular publ'n (newsletter, etc.)				
c. Popularized publ'n (technoguides, etc.)				
d. Book Chapter/s				
e. Books				

D. Citation

Research Output as Cited by Other Researcher(s) in Journal Activities									
Title of Research Output/ Published Journal Articles/ Book	Title of Journal & Vol. Issue/ Year	Keywords	Researcher (s)	Citation Details					
				Author(s) Who Cited the Research Output	Title of Article Where the Research Output Was Cited	Title of Journal	Vol. / Issue / Page No.	City/ Year Published	Publisher

V. Issues, Problems, and Recommendations

Took 9 months to receive official approval of the project proposal.
