Chairperson, Academic Personnel Board

Dear Dr. Tulin,

Good day, Sir!

The undersigned respectfully informs your good office the inevitable retirement of Dr. Eugene B. Lañada, our former dean and the current head of the Dept. of Veterinary Paraclinical Sciences. Dr. Lañada has served VSU for decades and while we felt proud of his accomplishments, the college will be losing someone whose contribution to the operation of the college is of paramount importance.

In view of this and in consideration of the forthcoming opening of the 1st Semester 2021-2022, the undersigned respectfully seeks your guidance and support as we prepare for this significant change so that our operations will not be hampered. Alongside these preparations is our need for a replacement who shall takeover the said vacancy. I will try to make myself available should your office need me to discuss this matter further.

I look forward to your kind consideration of this matter. Thank you very much.

Kindest regards,

SANTIAGO T. PEÑA, JR.

Dean
