DR. DEEJAY M. LUMANAO
Head, Department of Soil Science

Dear Ma'am,

Good day!

We would like to ask your permission to visit your preparation and instrumentation laboratory, SRTPAL. This aligns with our Agro 115 – Field Crop Physiology exercise, which focuses on "Familiarization with Laboratory Equipment and Basic Laboratory Techniques for Field Crop Physiology."

In this regard, we would like to request the assistance of your laboratory technicians in demonstrating the use of laboratory tools and equipment to students and teaching them about its basic principles and operations. Knowledge of how to use laboratory instruments and equipment properly is crucial in preparation for their physiological studies in the future.

We are hoping for your generous approval.

Thank you very much.

Very truly yours,

MARY ANN L. MASKARIÑO
Laboratory Instructor

QUIMSON R. CAÑETE
Laboratory Instructor
