Dear Dr. Tulin:

We would like to request the offering of AGECE 214 (National Income and Employment) this Second Semester, SY 2022-2023. This is a regular graduate offering every 2nd semester. However, we inadvertently missed to include this in the list of courses offered this semester. Some graduate students will take this course as part of their regular plan of course work.

In this regard, we would like to request approval by your office the offering of this course.

Thank you very much.

Very truly yours,
