DR. EDGARDO E. TULIN

President, VSU
Baybay City

SIR:

Warm greetings!

We have received today a copy of the *Excerpt from the Approved Minutes* of the APB Meeting held on February 9, 2023, which you duly approved, stating the following information:

APB Resolution No. 67
Series of 2023

Pending in action, waiting for the release of DBM for the newly created faculty positions.
February 09, 2023

Since we cannot have the replacements of our colleagues who have recently retired, may we request approval to employ three (3) part-time teachers for this semester up until the regular faculty members have been hired accordingly. We do understand that contracts of part-timers are on semestral basis.

Thank you very much.

Very truly yours,

ERNESTO F. BULAYOG
DOE, CME
