Dear **Dr. Tulin**,

Sir,

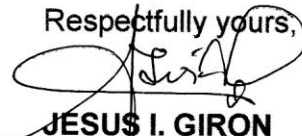

I wish to inform your good office that the verdict of my case is slowly approaching. As a father of four (4) siblings ages, 10, 12, 15, and 17, I am thinking of their financial support when my imprisonment happens.

In this connection, I am sincerely asking a favor from your good office that I'll be allowed to monetize all of my leave credits so that I can have a small amount to be left to my kids to support their daily needs when I'm gone. Furthermore, sir, please allow me to receive all the benefits given to the government employees this Christmas season. These benefits will also be left to my children.

Thank you very much for a favorable consideration of my request for the sake of my children.

To God be the Glory!

Respectfully yours,

Dear **Dr. Tulin**,

Sir,

I am very much thankful to God, our Lord Jesus Christ, that you have given me the chance to answer my cases. To tell you the truth sir, at present, I am confused because I am not prepared for this situation. Sir, I am hesitant to the line "under oath" and "affidavit of witnesses and documentary evidence" instead, I am preferable for a formal investigation coming from the University if there is, so I can answer face to face all the needed queries about me.

Sir, thank you very much for your concern for me. Again, I am expressing my apology to the University through your good office. I am sorry about what I have done that it bothers the University.

Whatever happens, I am still believing Romans 8:28 which says "that in all things God works for the good of those who love him, who have been called according to his purpose.

To God be the Glory!

I remain,
