**Management Project Landscape Programme:**  
**Visit June 13 to 15, 2022**

**PROGRAMME**

continues the learning process with stakeholders to  
the learning and understanding of the climate change  
and develop doable solutions for the landscape.

the two-way learning, reflecting on the approaches,  
constructive way which also supports the learning of the  
objectives:

- learn programs and strategies for environment restoration and climate change adaptation practices.
- reflect on their work plans and see ways to adapt or adopt what they have learnt to develop or enhance their planned activities and approaches.
- discuss and analyze issues and opportunities for the landscape program as well as the strengthening partnership and sustainability within the Pintakasi partners.

**Methodology:** The learning sessions will be organized through a workshop-orientation, learning visit, dialogue, and roundtable discussion.

**Date and venue:** The learning visit in Visayas State University, Baybay Leyte from June 13 to 15.

**Participants:** The learning visit will require the participation from partners and stakeholders from the LGU, Regional Offices/agencies, NGOs/CSOs, Community – 7 barangays, who have attended at least two previous sessions (online and or face-to-face).

**Deliverables and Output:** As a minimum requirement the participants shall prepare the photo, video documentation and journal reflection or case story highlighting their key learnings from the visit as output of the activity.
