**OUTCOMES-BASED EDUCATION (OBE) COURSE SYLLABUS**

AGRO212

**Field Crop Production and Management**

**I. UNIVERSITY INFORMATION**

**1. Vision of the University**

A globally competitive university for science, technology, and environmental conservation

**2. Mission of the University**

Development of a highly competitive human resource, cutting-edge scientific knowledge, and innovative technologies for sustainable communities and the environment.

**3. VSU Quality Policy Statement**

The Visayas State University (VSU), a globally competitive university of science and technology and environmental conservation, is created by law to develop highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.

Towards this end, we, at the Visayas State University, commit to:

- Produce highly competent, quality and world-class manpower in science and technology, especially for agriculture, environmental management and industry who are proficient in communication skills, critical thinking and analytical abilities;
- Generate and disseminate relevant knowledge and technologies that lead to improved productivity, profitability and sustainability in agriculture, environment and industry; and
- Satisfy the needs and applicable requirements of the industry, the community and government sectors who are in need of quality graduates and technology ready for commercialization through the establishment, operation, maintenance and continual improvement of a Quality Management System (QMS) which is aligned with the requirements of ISO 9001:2015.

It shall be the policy of the university that the quality policies and procedures are communicated to and understood by all faculty, staff, students and other stakeholders and that the system be continually improved for its relevance and effectiveness.
