Thru: **Dr. Beatriz S. Belonias**

VP Academic Affairs

Visayas State University

Dear **Dr. Tulin**:

This is to respectfully submit to your good office the proposal to add Admission, Retention and Intervention Policies, other course offerings to be adopted/instituted, revisions in the number of hours/units as well as the prerequisites/co-requisites of courses in the BS Chemistry program. This proposal is made to improve the performance of VSU Chemistry Graduates in the Chemist Licensure Examination (CLE), and to comply with the current qualification requirements of professional chemists for local and overseas employment and entrepreneurship by building a strong analytical and technical background for employment in various fields.

Attached herewith are the curriculum review results, proposal, and OBE-ISO Course Syllabi for your reference.

Looking forward to your favorable action on this proposal. Thank you very much.

Respectfully yours,

**ELIZABETH S. QUEVEDO**

Head, DoPAC

Reviewed and Endorsed by:

**MA. THERESA P. LORETO**

Dean, CAS and

Chairman, CAS Curriculum Committee
