Sir / Madam:

I would like to apply for readmission effective 1 semester / summer 2022-2023 My last attendance from this University was 1 semester / summer 2021 -2022. I was out of school for 1 semesters and 1 summer(s) because of the following reason(s): It is difficult for us to deal with our daily needs. I worried because it's an online class with a new method and it's hard for me to keep up. Then I find opportunities to work and help my parent I work at the G&S Store as a sales boy and labor I started last October, 2021 it's hard you always do this job. people will look you down ,I still have a small salary .but I'm pursue the work to earn money and I saved my salary so that when I go back to school I will have something to spend myself without depending on my parents.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
