Chairperson, Academic Personnel Board

Dear **Dr. Tulin**:

Warmest Greetings!

Our utmost respect to all the members of the Academic Personnel Board of Visayas State University.

We are writing concerning the Academic Personnel Board Resolution No. 147, Series of 2023. The resolution advised the deployment of Mr. Lyman Dennis O. Moreno at the Department of Agricultural Biosystems Engineering (DABE) than Eco-FARMI because of his expertise and the retirement of DABE's core and affiliate faculty. However, the Eco-FARMI is also equally in need of the expertise and services of Mr. Moreno to help strengthen our institute in terms of research, extension, and innovation programs, especially since now our institute has only two (2) active core staff, and one (1) staff pursuing her doctoral degree.

In addition, Mr. Moreno also expressed and signifies that he could better apply his skills and experience at Eco-FARMI. According to him, he is also completely aligned with our institute's advocacy and looking forward to the challenge of making significant and impactful contributions.

In connection with our desire and the interest of Mr. Moreno to be part of the Institute's workforce, we, the Personnel Committee of Eco-FARMI respectfully request the members of the Academic Personnel Board for reconsideration of hiring Mr. Moreno at Eco-FARMI.

Please see attached letter from Mr. Moreno for your perusal.

Thank you very much and we hope for your favorable consideration on this request.

Respectfully yours,

Eco-FARMI Personnel Committee:
