**Dr. Edgardo E. Tulin**

President

Visayas State University

Visca, Baybay City, Leyte

Through: **Dr. Othello B. Capuno**  
Vice President, Research, Extension and Innovation

Dear **Dr. Tulin**:

Good day Sir!

We are submitting the attached research proposal entitled "Feasibility of Building a Waste-to-Energy Plant in Visayas State University". The proposed research is in line with one of the department research agenda which is in Energy and Environment.

Thank you for your continued support.

Sincerely,

**RONARD G. PAÑA**

Instructor I, DME
