**R E :** **Conduct a Pre-internship orientation/training on Student Interns**

The second semester of AY 2022-2023 will end after its final examination this June 2023. The internship is about to commence for the degree programs with a regular offering during mid-year (summer). OVPSAS requests the department internship coordinators to conduct a pre-deployment seminar/orientation for our student interns before we deploy them to their Host Training Establishments (HTEs) as required in the CMO #104 s. 2017. Student interns who undergo the orientation will give them awareness, protection, and further knowledge while under the internship program.

Please submit a communication letter with the program containing topics and speakers to our office. For your compliance.

Respectfully,

**NORBERT JOHN O. VILLAS**

Student Internship Program Coordinator  
OVPSAS
