I would like to apply for readmission effective 2nd semester / summer 2022-2023 My last attendance from this University was 1st semester / summer 2020-2021 I was out of school for two (2) semester and ___ summer(s) because of the following reason(s): The reason why I left the university is because of two reasons, first is the location of our place lack of good internet connection for me to use in online class and we are very far from the city or the place where the good internet connection located, I need to travel about an hour to reach the place. The second reason is that my family experienced a financial crisis and we need to "tipid" to sustain our basic needs until my father return back to work because he was unemployed about 6-7 months and my mother is only a housewife and unemployed. That is why I stop my studies to help my family. The reason for not filling leave of absence because I do not know how to process it, no knowledge that I need to file leave of absence and also it is my negligence in my side and I promise that it will never happen again. I already intended to enroll my subjects required in BSHM to finish my studies in Visayas State University, Visca Baybay City, Leyte. I hope if admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
