Dean of Students  
Office of the Dean of Students  
Visayas State University

Dear Prof. Loreto,

Greetings from the Institute of Human Kinetics!

As the world is now facing the crises brought by COVID -19, there are changes in the educational system. Amidst the pandemic, we continue delivering educational services, especially in structuring Art Apprenticeship I and II courses for the Bachelor of Culture and Art Education.

As part of the apprenticeship plan, we would like to request the expertise of Ms. Chona A. Brit and Ms. Mary Ann G. Cobico to speak on the Orientation for Student Art Apprenticeship. The event is a two-day program with sixty (60) student apprentices. Your discussion on "Pre-Departure Ethical and Emotional Readiness Session (PEERS)" that will be essential to the deployment of the apprentices

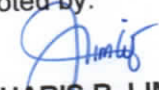

Your presentation will be on 1:30 PM on **July 18, 2022** at the VSU Student Center. We believe that your discussion will be a critical addition to the Apprenticeship Program.

Thank you in advance again for your consideration, and we are very much looking forward to hearing from you.

Very truly yours,

  
**SHEENA EUNICE B. TABUDLONG**  
Apprenticeship Coordinator
