Dear Dr. Tulin,

The Young Economists Society has been invited by the University of the Philippines Visayas Tacloban College – Economics Society for the Eastern Visayas Region Economic Conference (EVREC) on April 29, 2023. The event will be represented by 50 students from the Department of Economics as participants, and Mrs. Zyra May Centino and Mr. Ian Dave Custodio, YES advisers, as faculty-in-charge.

The Eastern Visayas Regional Economic Conference (EVREC) is the flagship program of the UPVTC Economic Society (EcoSoc). It is the largest annual gathering of dedicated economic students in Region 8 and aims to promote a more holistic understanding of the global economy and contribute to improved economic outcomes for all. The purpose of this event is to allow young economists to share relevant ideas and engage in real-world discussions.

With this, we would like to request that the students and faculty participants be excused from their classes on the said date to be able to take part in this economic conference. Moreover, we would also like to request transportation to ferry the VSU participants to and from the event venue free of charge.
