Dr. Ma. Rachel Kim L. Aure

Director of Instruction and Evaluation
VSU, Visca, City of Baybay, Leyte

Dear **Dr. Aure**,

The MSLAM and MLAM degree programs coordinated by ISRDS will be subjected to AACUP Level 2 accreditation on July 8-12, 2024.

Under Area 3 (Curriculum and Instruction), the faculty performance evaluation results in the last six terms are among the data needed as evidence of our strong and competent faculty.

In this connection, may we seek your support in providing us data for six school terms. Owing to the concern for data privacy, we have prepared a matrix that summarizes the LAM faculty members' performance. Rather than asking for the ratings of the faculty members per term, we request that you provide only the number of faculty members who got an overall rating of Outstanding, Very Satisfactory, or Satisfactory per term.

Much as we would like to consolidate the performance ratings ourselves, we do not have access to the faculty members' performance rating documents as they belong to different colleges or offices of the university. Kindly note that three LAM professors who have retired are on the list as they were in service during the coverage period of the AACUP accreditation, i.e., May 2021 - April 2024.

Here is the list of LAM faculty members:

- 1) Abamo, Antonio P., DBM, Extension Office
- 2) Bencure, Jannet C., DGE, CET
- 3) Bulayog, Maria Salome B., DOE (retired)
- 4) Garcia, Pastor G., Eco-FARMI (retired)
- 5) Loreto, Manolo, Jr. B., DABE, USSO (retired)
- 6) Morales, Florentino, Jr. F., DGE
- 7) Penaranda, Jose Rommel A., LGU-Baybay City
- 8) Peque, Dennis P., DFS, RCCRDC
- 9) Serino, Moises Neil V., DOE, CME
- 10) Tabada, Maria Aurora Teresita W., ISRDS

Please find below the particular data needed.
