Dear Dr. Tulin:

Good day to you

The letter should contain the following minimum information:

1 Semester and school year the student stopped

- 2nd semester of S.Y. 2018-2019

2 Reasons for stopping (Must be very clearly stated)

- My parents decided for me to stop pursuing college due to financial reasons since they both have no stable jobs. My mother is a housewife and sometimes sells banana cue. My father is a fisherman and sometimes he catches fishes and sometimes, none. When he catches some, it's just enough to buy daily necessities and rice. Me and my brother were forced to stop due to poverty so we looked for a job in Cebu to provide for the needs of our family and my baby too. I filed a LOA for the 2nd sem of S.Y. 2017-2018 because I was pregnant but came back 1st sem of S.Y. 2018-2019.

3. Reasons for not filing the Leave of Absence (Must be very clearly stated)

- The reason why I haven't filed LOA for 2nd sem of S.Y. 2018-2019 up until now is because my parents can no longer afford our allowances in traveling from home to school and our daily needs and went to Cebu immediately together with our tita who works in Cebu so we can find jobs as soon as possible and I don't know yet as to when can I go back to school.

4. Semester and school year for re-admission

- 2nd semester of S.Y. 2021-2022

5. Assurance/Promise to continue and do well in the studies

- After 2 years of working in Cebu and saved some money, I decided to go back and pursue my College degree so I can make my parents proud and even though I already have a child, I can still pursue my dreams and for my parents' to see me graduate and have a bright future ahead not only for my daughter but also for my parents since they are not getting any younger. Due to poverty, I have stopped pursuing my dreams but I realized I would not like my child to experience what I have experienced. So I will do my very best to finish my studies so I can give her bright future and comfortable life as well as my parents.

Sir,

Good day! I would like to apply for readmission effective 2nd semester of S.Y 2021-2022. My last attendance from this University was 1st semester 2018-2019. I was out of school for 6 semesters and 3 summers because of the following reason(s): my parents decided for me to stop pursuing college due to financial reasons since they both have no stable jobs.

My mother is a housewife and sometimes sells banana que. My father is a fisherman and sometimes he catches fishes and sometimes, none. When he catches some, it's just enough to buy daily necessities and rice. Me and my brother were forced to stop due to poverty so we looked for a job in Cebu to provide for the needs of our family and my baby too. I filed a LOA for the 2nd sem of S.Y. 2017-2018 because I was pregnant but came back 1st sem of S.Y. 2018-2019. However I haven't filed LOA for 2nd sem of S.Y. 2018-2019 up until now is because my parents can no longer afford our allowances in travelling from home to school and our daily needs and went to Cebu immediately together with our tita who works in Cebu so we can find jobs as soon as possible.

After 2 years of working in Cebu, I decided to go back and pursue my College degree so I can make my parents proud and even though I already have a child, I still can pursue my dreams and for my parents' to see me graduate and have a bright future ahead not only for my daughter but also for my parents since they are not getting any younger.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
