Greetings, sir!

Regional Annual Administrative Tactical Inspection (RAATI) is a yearly activity of the RESCOM which entails actual inspection of all activated Army ROTC units. The inspection aims to test the degree of administrative, unity management, proficiency, and quality of training attained by the Corps of Cadets of the unit. Moreover, it intends to test the operational readiness of the ROTC units and allow the students to experience the real meaning of basic soldiery.

In preparation of the said event, we, the Visayas State University –Reserve Officers' Training Corps Unit, will be having our **Presentation of Sponsors and Escorts (POSE) on Wednesday, March 15, 2023 at 2:00 PM**

In this connection, we would like to request from your good office the availability of thirty (30) different ornamental plants to be use during the said event. This equipment will be handled properly and returned immediately.

We hope that you will merit this request.

Thank you very much and more power.

Respectfully yours,
