Dr. EDGARDO E. TULIN  
University President  
Visayas State University  
ViSCA, Baybay, Leyte

Thru:

Ma. JULIET C. CENIZA  
Vice President for Research, Extension &  
Innovation

ANTONIO P. ABAMO  
Director for Extension

Dear President Tulin:

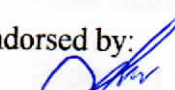

Good day! This is to submit here an extension project proposal as my output to the recently concluded extension training conducted by the Office of the Director for Extension last November, 2021. There is really a need to establish and set - up the DSS Soil Fertility and Plant Nutrition Clinic to support the call of the government through the Department of Agriculture (DA) and its regional offices to intensify agricultural production in the light of COVID 19 pandemic.

I am hoping that this proposal will merit the support from the VSU administration. Thank you very much for your kind support. God Bless!

Truly yours,

  
BEATRIZ C. JADINA  
DSS Faculty & Extension coordinator

Endorsed by:

  
SUZETTE B. LINA, Ph.D.  
Head, Department of Soil Science

  
HENRY Y. GOLTIANO  
CAFS Extension coordinator

VICTOR B. ASIO  
CAFS Dean

Recommending Approval:

ANTONIO P. ABAMO  
Director for Extension

MA. JULIET C. CENIZA  
Vice-Pres., Research, Extension & Innovation

Approved:

EDGARDO E. TULIN  
President
