Dear Dr. Villocino:

Greetings!

The Philippine Science High School- Eastern Visayas Campus and Central Visayas Campus have decided to renew their MOA with VSU in sending their high school students for the Summer Immersion Program to our university. A total of 30 students (17 male and 13 female) will be staying in 2 separate dormitories for 2 weeks. The tentative schedule of the SIP will be either on July 3-14 or July 10-21 depending upon the availability of the dormitories. Please take note that the CVC students may arrive a day before the start of the SIP and may leave a day after the end of the SIP. It is stipulated in the MOA that the students will be paying the dormitory fee for the duration of their stay inside the VSU campus.

I hope that you can reserve 2 dormitories for the students and indicate the probable duration of their stay. Thank you very much.

Respectfully yours,

MA. THERESA P. LORETO
Dean, College of Arts and Sciences &
Former SIP Coordinator
