Sir / Madam:

I would like to apply for readmission effective 1st semester / summer 2022 -2023. My last attendance from this University was 1st semester / summer 2021 -2022. I was out of school for 1 semesters and _____ summer(s) because of the following reason(s): due to personal reasons I have been having a problem at my chosen course because I could never catch up to anyone and I have been stressed thinking about my grades they are very low to the point that I cried because I couldn't do any better it was a mistake to choose this course and I tried to file a shifting form but I did not get a slot then that's the time that I stop on the second semester I couldn't bare it any longer.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
