

Vision:
Mission:

A globally competitive university for science, technology, and environmental conservation.
Development of a highly competitive human resource, cutting-edge scientific knowledge
and innovative technologies for sustainable communities and environment.

ROBELYN T. PIAMONTE
Director, NARC

Sincerely yours,

Thank you very much.

I am forwarding to you the meeting highlights with DOST-PCAARRD personnel headed by Dr. Allan B. Siano, Officer in Charge of the DOST-PCAARRD Crops Research Division about the updates and concerns of the VSU/DOST-PCAARRD funded project "Establishment of ten-hectare abaca hybrid plantation at VSU and Evaluation of Fiber Quality for the Pulp Industry". As you have advised that we will set a meeting together with the concerned individuals to tackle important matters about the project, I would like to ask Sir of your available time as to when we could have this meeting. The DOST-PCAARRD is hoping to receive our action plan within this week Sir. In the meeting Sir, I will invite Mr. Nick Freddy R. Bello, Dr. Maria Juliet C. Ceniza, Prof. Rosa Ophelia D. Velarde, Dr. Ruben M. Gapasin, and Dr. Feliciano G. Sinon.

Dear Dr. Tulin,

DR. EDGARDO E. TULIN
President
Visayas State University
