Chief Medical Officer, USHER

Dear Dr. Yu,

The **Visayas State University – Reserve Officers' Training Corps Unit** is preparing for the **Regional Annual Administrative and Tactical Inspection (RAATI)** scheduled on **June 6, 2023**, a mandated yearly activity by the **Reserve Command, Philippine Army**. The inspection aims to test the degree of administration, proficiency, quality of training, and unit management attained by the corps of cadets.

To attend to the medical needs that may arise during the event, the VSU-ROTC Unit would like to request from your kind office to dispatch an **emergency ambulance along with medical personnel** and borrow **one (1) spine board** to be used on Basic First Aid Assessment on **June 6, 2023**.

We hope that this request merits your kind approval and consideration. The VSU-ROTC Unit will always be grateful for the support that you will graciously provide.

Thank you very much and more power to your office!

Respectfully yours,

NOEL A CAGASAN
LTC (INF) / GSC PA
Commandant
