PCAARRD, Los Baños

Dear Dr. Calora:

Greetings!

This is to respectfully submit to your kind office the pertinent documents required for the Year 5 renewal of our collaborative ACIAR ASEM 2016/103-DOST/PCAARRD project titled **"Enhancing livelihoods through forest and landscape restoration"** for your perusal and reference (enclosed). We deeply apologize for the delay of our submission in view of a number of intervening factors that affected our project operations largely brought by the Covid19 pandemic and Typhoon Agaton that recently wreaked havoc in our place.

We hope for your kind and favorable consideration on this matter.

Thank you very much.

Sincerely,

ARTURO E. PASA
Project Leader
