Dear Dr. Tulin:

Greetings!

In addition to our regular graduate courses offering this 2nd Semester, the department would like to request that AGECE 214 (National Income and Employment) and AGECE244 (Economics of Agricultural Marketing) will be offered this semester. One of our graduate students is enrolling in one subject only this semester and I suggested to him to make it two.

On the other hand, there is also an MS in Animal Science who enrolled in AGECE241 as an elective course, and I would suggest to him to enroll instead AGECE244 because AGECE 241 would need a background of ECON 213 while AGECE244 can be a COI.

Thank you very much.

Very truly yours,

MARIA HAZEL I. BELLEZAS
