

JUSTIFICATION

The result of the 3rd IQA was received on November 23, 2021. Upon receiving the report, we immediately scheduled a meeting on November 25, 2021, at 10 am to discuss the center's OFIs. But, the meeting was canceled because our director who is at the same time our university president, Dr. Edgardo E. Tulin was with another meeting. Thus, the meeting was rescheduled on November 26, 2021.

We submitted our documents to QAC on December 2, 2021. Unfortunately, our documents were returned because the signed attendance sheet was not attached, the meeting was done via zoom thus, we thought that the google docs attendance sheet would be fine. Nonetheless, after receiving the response from QAC, the attendance sheet was routed to the PRDC staff for their signature. It took time to let all our PRDC staff sign since most of our staff has an administrative position, they all have a hectic schedule and in fact, Dr. Tulin was out of the office since December 1-3, 2021 for the CHED Regional PADYAK Caravan 2021 on Eastern Visayas.
