Sir / Madam:

I would like to apply for readmission effective 1st semester of 2022-2023. My last attendance from this University was 1st semester of 2020-2021. I was out of school for 4 semesters because of the following reason(s): I did not attend online classes due to financial difficulties during the pandemic, so I am looking for a job to help my family. I was also definitely having a hard time adjusting to distance learning because of having no android gadgets and unstable internet connections in online education that makes me stress.

If admitted I promise and pledge to abide by and comply with all the rules and regulations laid down by competent authority in the University and in the College to which I am enrolled.
