| 7. Description: | The VSU ROTC Band is the official marching band of the VSU ROTC. It primarily provides martial music for parades, reviews, and other ceremonies of the Corps. | | | | | | | | | | | | |
| 8. Purpose: | It is proposed to upgrade the ROTC Band instrument that will become the music group that VSU will definitely be proud of. With the expertise of Prof. Joselle Gayetano as a music teacher and a brass band organizer, this proposal is feasible. To date, the band is in the process of expanding membership. This entails the recruitment and training of additional members coupled with the acquisition or purchase of additional band instruments to cater the demand of instrumentalists. The need to add instruments affects the learning ability of the player. If there is a limited instrument with four players who are all eager to learn the same, the required time for them to practice would not be achieved since they will be sharing only one instrument as opposed to the situation wherein there are ample instruments for everyone. A scenario with a one is to one ration; the chances of greater learning will be high. It is for this reason that the NSTP Office will be purchasing additional band instruments to be used by the ROTC Band | | | | | | | | | | | | |
| 9. Beneficiaries: | The target beneficiaries are the members of the band who will learn music for free with the instruments. Additionally, students from BCAEd can join the band to hone their skills as part of the training in the degree program. | | | | | | | | | | | | |
