Dear Dr. Yu:

Our Warm greetings from the Department of Economics!

Our 3rd year BSEcon students will have their On-the-Job Training (OJT) this summer of SY 2024-2025 to different government and private firms/agencies in Region 7 and Region 8, respectively. One of the required documents is their medical certificate.

In this regard, we would like to request your office to schedule their medical examination on June 2-6, 2025. They will be dispatched to their assignment on the third week of June 2025. Please find attached the lists of the students.

Thank you very much for considering our request. We look forward to your favorable response and continued support.

Sincerely,

macabased
