Dear Sir,

ISRDS turned 43 on September 5, 2024. The highlight of our celebration is the conduct of a forum with the theme "Interrogating the Role of the Social Sciences in Building a Global Green University for Social Transformation." Due to the unavailability of our speaker and our university president on the anniversary date, we moved the activity to September 26, 2024. The forum is immensely relevant considering the challenges related to staffing and implementation of instruction, research, and extension programs that ISRDS faces.

May we use your Eco-FARMI Training Hall for the said forum on September 26, 2024, Thursday, at 8:00 AM to 12:00 PM? The venue is highly suitable for our forum which expects 40-50 participants to interact and share their valuable insights on ISRDS' vital role in the future directions of VSU and the governance toward becoming a good university.

Thank you so much for your support. Best regards.

Very truly yours,

  
**LILIAN B. NUÑEZ**  
Director, ISRDS
