Dr. Edgardo E. Tulin
President

Dear Dr. Tulin:

Merry Christmas amidst the storm!

This is in relation to the request of Dr. Adrian P. Ybanez, Vice President for Research and Development of Cebu Technological University to participate as one his project members about the Visayas-wide research study.

The undersigned had been communicated by Dr. AP Ybanez on the probable involvement. I was able to read the proposal and find it motivating considerably because it focuses on vaccination program and issues encountered at the course of implementation.

Further, I informed Dr. Ybanez and his staff to communicate the same for your permission and/or approval of my possible participation to this project, hence his communication.

Finally, a duly signed letter of commitment is requested, should your good office permit participation of the undersigned for the 12-month project.

Hoping for an affirmative response on this matter.

In caring,

JOEL REY U. ACOB
