Thru: **Ms. Marwen A. Castaneda**
University Registrar

Dear Dr. Belonias and Ms. Castaneda:

Greetings of tranquility amidst the storm!

Our level IV students are to be rotated in clinical and community areas come second semester to suffice the number of hours in completing PRC-required delivery and operating room cases. Due to cancellation of clinical duty brought by global health crisis however, *NuCM 117r (Care of clients with maladaptive patterns of behavior, acute and chronic)* was not offered during the last summer of 2021.

Relative to this, the undersigned wish to ask your kind permission to offer the above 4-unit course for 51 graduating students, this second semester.

Should you allow to open the requested course, our students will have a grand total of 19 units by February 2022.

Hoping for an affirmative response on this concern.

Thank you and happy new year!

In Caring,

JOEL REY U. ACOB
Dean
