Dear *Dr. Acob*,

The Bachelor of Science in Environmental Science (BSES) is now in its 4<sup>th</sup> year of implementation. The course **Envi 122 (Environmental Health)** of the BSES curriculum is scheduled to be offered come this second semester of this school year, 2021–2022. In this connection, may I kindly request your College to teach the course beginning this 2<sup>nd</sup> semester? The course syllabus is ready and available. However, may I further kindly request your College to handle the preparation of the learning/instructional materials and table of specifications for the course?

With a grateful heart, I am hoping for your favorable approval on this request.

Very truly yours,

**ELIZA D. ESPINOSA**  
Director

**Noted:**

**DENNIS P. PEQUE**  
Dean, College of Forestry and Environmental Science

**Approved:**
