Thru: Atty. Rysan C. Guinocor

Dear Dr. Tulin,

As required for signing the Memorandum of Agreement (MOA) with the Cebu Technological University (CTU), here is the health protocol implemented by NARC concerning the intern from CTU, Chem Lloyd P. Alburo.

1. Required a vaccination card from the intern (see attachment)
2. Required the intern to wear a facemask inside the laboratories
3. During the times the intern was sick, he was excused from reporting to the Center

I hope that this protocol meets your requirement.

Respectfully,
