Dear Sir:

Greetings!

I would like to request the membership of Ms. Merry Jean A. Caparas, instructor at ISRDS, to the Water Resource Management Committee of the main campus. She was involved in the water governance and policy project under Dr. Buenaventura Dargantes and actively working on water management until today. I believe she can help in carrying out the duties and responsibilities of the committee.

Hoping for your kind consideration on this matter.

Thank you very much.

Sincerely,

ARTURO E. PASA
