

23 February 2022

**Dr. Moises Neil V. Serioño**

Dean of College of Management and Economics  
Visayas State University

Dear Dr. Serioño,

Good Day!

The office of the VP for Student Affairs and Services received a letter proposal from Ormoc City Chamber of Commerce and Industry Inc (ORCHAM) indicating an opportunity for our students to participate/engage in their business/entrepreneurial competition named "Business Plan Model and Prototype Competition", our office believed that the students of College of Management and Economics fit and most qualified to join the said competition as this is an opportunity as well on our students to showcase their entrepreneurial skills and mindsets. Full details of this competition are attached to this letter.

Respectfully yours,

  
**NORBERT JOHN O. VILLAS**  
Education Research Assistant I
