December 14, 2021

MR. ROGER O. LINGATONG School Head, Baybay City Senior High School, Baybay City, Leyte 6521

Dear Sir Lingatong:

Greetings!

The Department of Physics (DPhys) will be holding a webinar series entitled "Emerging Trends in Physics and its Applications" via Zoom. One of the main reasons for this event is to introduce high school science teachers to some of physics's emerging trends and applications.

In connection with this, we would like to cordially invite your science teachers to this event. The webinar series will be held on December 17, 2021, January 26, 2022, February 18, 2022, and March 18, 2022, from 9:00 A. M. to 12:00 P. M. with the following topics:

- 1. Physics App and Teaching Technologies
- 2. Microrheology and Microfluidics
- 3. White Noise Analysis
- 4. Computational Physics

For further details or inquiries regarding the activity, please feel free to contact us at this phone number 053-565-0600 loc. 1121 or email us at <a href="mailto:dphys@vsu.edu.ph">dphys@vsu.edu.ph</a>.

Anticipating your favorable acceptance regarding this invitation and would greatly appreciate it if your science teachers could join us in this event.

Sincerely yours,

REV RHIZZA L. AURE Head, Department of Physics

Noted:

MA. THERESA P. LORETO Dean, CAS

Vision: A globally competitive university for science, technology, and environmental conservation.

Mission: Development of a highly competitive human resource, cutting-edge scientific knowledge and innovative technologies for sustainable communities and environment.
