Dear Dr. Loreto:

One of the requirements of the VSU-DA Biotech Scholarship Program is for the scholars to render laboratory immersion equivalent to 40 hours per semester. In view of this I would like to request that 2 of our scholars, Marielle F. Bandalan (BS in Biotechnology-4) and Mizuki Mosquito (BS in Biotechnology-4) will be allowed to conduct their immersion in the Tuklas Lunas Laboratory on February 6-10, 2023. Rest assured that the students will follow the policies of your laboratory.

I hope this request will merit your kind approval. Thank you very much.

Very truly yours,

ANABELLA B. TULIN, Ph.D.

Project Leader,
VSU-DA Biotech Scholarship Program
