Department of Animal Science

Dear Sir:

I hope this letter finds you well.

The Department of Agronomy will host visitors from the Department of Science and Technology—Science Education Institute (DOST-SEI) for an on-site visit. This visit is part of their evaluation process to consider including our PhD program in Agronomy in the ASTHRDP scholarship program. Several of your PhD students in Animal Science are enrolled in our PhD program in Agronomy as their cognate field of study.

In light of this, we kindly invite your students to attend the inspection on April 15, 2025, at 8:30 a.m. in the DA Conference Room as evidence of their enrollment in our program.

We would greatly appreciate your consideration of this request and look forward to your favorable response.

Thank you.

Sincerely,

**LUZ G. ASIO, Ph.D.**

Head-Department of Agronomy
