

REQUEST FORM FOR CHANGING DEGREE PROGRAM OR MAJOR FIELD

Student Number : 21-1-01221

Name of Student : Gill Sophia D. Serdan  gillsophiaserdan77@gmail.com

FROM:

Current Degree Program: Bachelor of
Science in Chemistry

TO:

Desired Degree Program: Bachelor of Science in
Biology

Effective ☐ 1st Sem. ☐ 2nd Sem. ☐ Summer ,
A.Y. 2021-2022

Reason(s) for Changing:

Along the course of almost 3 months studying chemistry, I realized that chemistry is not really meant for me. What I really want to become is to be a doctor and would really like to take BS Biology as a pre-med. BS Biology as a pre-med would be of so much help, it has a lot of advantages compared to the other premeds. I am very sincere and hopeful in making this request and I'm hoping for your kind and positive response. Thank you so much!
