Reason(s) for Changing:

One of the reasons for my course shifting is that I realized that teaching is my passion. Being an educator has a lot of opportunities and chances to become more progressive and efficient in different fields in the future. I can see that being a teacher, I could have a chance to share all of my knowledge I gained, and in that way I can impart all my experiences to all of my students and inspire them. As Winston Churchill said in his quote, Success is not final, failure is not fatal: it is the courage to continue that counts.
